Hi Rich,

As Kerry mentioned earlier today, we are planning on sending out a Sandy specific press release on Thursday August 18<sup>th</sup> after the UDEQ meeting. The timing was decided by HQ so let us know if you have any concerns. The HQ region specific press release is very basic. I have added a Sandy specific paragraph at the end of the release but let me know if you think we should go into more detail. Most of the Utah outlets were already on the embargoed list for the Aug 3<sup>rd</sup> release so this should not be new information.

Thanks!  
Katherine
